NOMINATION FORM**  
**Submit form to: [boonegamersclub@gmail.com](mailto:boonegamersclub@gmail.com)**

**SUBMISSION INSTRUCTIONS.**

The DUE DATE and “window” for the acceptance of submissions is from November 1<sup>st</sup> of the current year, and ends on the 31<sup>st</sup> of January of the following year. *Example: 2022 submissions are between 11/1/22 and 1/31/23, so-on every year after that, like-so.* Submissions after that will not be accepted for that year.

This form should be sent to [boonegamersclub@gmail.com](mailto:boonegamersclub@gmail.com). The header of the email for filtering purposes should be "Challenge Coin nomination". This will ensure we, the admins of the group, as the decision authority of this coin are able to read the nominations in a timely manner and ensure the emails do not get lost as spam.

**GUIDELINES & RESTRICTIONS.**

Please observe the following minimum requirements expected for the issue of the coin, as these categories will result in the **disqualification** of the nominated individual:

1. Anyone that is not a current owner of the Dragon's Den or admin of the Boone Gamers Club, previous owners and admins are applicable. The coin is not intended for us.
2. Anyone that has not been banned from the Dragon's Den or any of our community partner affiliated locations to include regional conventions. Banned individuals are not community orientated and will not be considered.
3. Anyone that is not currently a felon or had a record as a felon within the last 10 years.
4. Anyone that has not currently or in the past attempted to sell/trade fake or stolen goods in this region, namely, currently on a BOLO list at any BGC affiliated locations.
5. Anyone that has not already received a Dragon's Den Coin of Excellence or "Challenge Coin". Only one coin per lifetime for achievement, please.
6. The candidates for the coin must be from this region (*Watauga, Ashe, Wilkes, Avery and Alleghany*), read below for exceptions.
7. Anyone under the age of 18.

**FAILURE** to note any of these exceptions on or with the forms submitted for the coin will result in the automatic declination of the coin submission and removal from the Hall of Fame if discovered after the fact.

**WAIVERS** are considered on a case-by-case basis to waive one or more of the above eligibility conditions for the coin. Any exceptions to any of the above will have to be made by the admins of the BGC group.

**THE REVIEW PROCESS & IF THE NOMINEE IS ACCEPTED.**

The nominee will be reviewed by the current administrative team of the Boone Gamers Club and by-extension the owners of the Dragon's Den. A committee of prior recipients maybe formed for review of nominees, and/or sponsorship. Any nominees that have met all the requirements, and have been approved by the admin team will be either contacted by the admin team or the person submitting the nominee (*we will also inform the person that submitted the nomination*). We will hold a ceremony within approx. 30-60 days of the last day of form submission (*early spring*), a profile picture will be taken at the event and posted via the Dragons Den website via the Coin Hall of Fame. The person receives the coin at the ceremony, and then we all rejoice!
